

BEGIN • BELONG • BECOME

At Lakeside, we believe God is inviting us to what Jesus called *abundant life*. This kind of life is about transformation—God making new and beautiful things out of our brokenness. God is not only concerned with what happens to us after we die, He invites us in to a daily experience and relationship with Him.

At the core of our identity, we are humans made in the image of God—designed to be in relationship with Him. We believe Jesus made it possible for us to be in this relationship. The Bible sometimes calls this the *Gospel*. Gospel means good news or good headlines. Lakeside Church is all about sharing this good news—God loves you. You belong. There is a place for you.

We don't have to have it all together to approach God. Following Jesus is about reorienting our life around him. Surrendering to him. Seeking him. Paying attention to the things he is already doing in us.

God's been pursuing you for a long time. If you have questions about following Jesus, we'd love to help. Please tell us on your **Connect Card** (in a chair pocket near you) or stop by the **info**bar in the lobby before you leave and get us your info. We'd love to have a conversation with you and we'll make sure someone gets in contact with you. You can also always email us at info@lakesidechurch.com.

FEATURE MUSIC

We love music at Lakeside. The most obvious use of music in church is as a vehicle to respond to God in worship. We enjoy singing together.

Music is also valid to tell a story, surface a need, raise or speak into an issue, express and modulate emotion, set a mood, or simply enjoy.

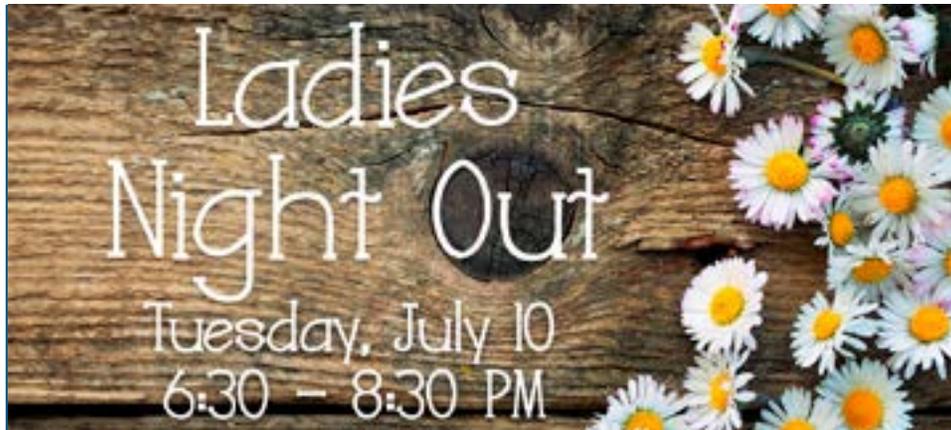

Sometimes we do music at Lakeside we call, Feature Music. Features are not designed for everyone to sing along. They serve another purpose just as we might read a poem, tell a story, or use a movie clip.

This weekend's Feature Music is the song, **Hello My Old Heart** by the **Oh Hellos**. Loving one another has potential for pain, discouragement, and betrayal. But, remaining secluded and protective of our lives leads to ends like loneliness, bitterness, and depression. We're wired for connection with one another even with the inherent risks. This song is about breaking free of those things that keep us from loving in order to experience the joy and abundant life that comes from letting others in to our lives and positioning our hearts for them to feel loved.

We've created a new space on our website entitled, *Playbook Stories* where we are celebrating people at Lakeside and the greater Folsom community who are living out the Lakeside Playbook. In sports, *playbooks* contain all the secret strategies, moves, diagrams, and tactics for a team. Memorizing a *playbook* is crucial for a team's success. Our *Playbook* is a concise way for us to communicate the way we want to go about being Jesus' followers in the Folsom area. Our Playbook includes our mission: *To transform as many people as possible into passionate and productive followers of Jesus*. It also includes how we want to live—*We give ourselves to others. We celebrate life-giving grace. And, we love meekness*. Drop by the page often for new stories. www.lakesidechurch.com/playbookstories
